SUMMER MOVE

If necessary, the Vice President will liaison with the Long Reach Community Association to determine if the school will need to move out all property and supplies during the summer months.

If the move is deemed necessary, the Vice President is responsible for the coordination of the move-in of furniture and other stored items prior to the beginning of the school year. After the last day of school and in conjunction with the lease requirements, the Vice President coordinates the packing and storage of all furniture and other school-owned property.

Sample Timeline for Summer Move (if needed):

AUGUST - Move in furniture and all school belongings about 1 week prior to the start of school.

FEBRUARY - At the February General Meeting, explain to C&C members the process for moving-out and moving-in of the school's furniture. Recruit volunteers to help with the move. Use an online tool for volunteer sign up (<http://www.signupgenius.com/>) or pass around a sign-up sheet during the General Meeting.

MAY - At the May General Meeting remind members about the Summer Move; give update on volunteer sign-ups and recruit volunteers if needed. Send out reminder emails before the Move Out date.

JUNE - Move out furniture to storage facility. You are in charge of overseeing this whole process. As a member of the board and a leadership position, this job requires confidentiality, discretion, professionalism, and respect for fellow membership.

MAIL COLLECTION/DISTRIBUTION

1. Pick up mail REGULARLY (at LEAST 1 day per week and on the 5th of the month) from two locations (this is essential due to tuition payments):
 - Post Office – The Post Office is on the first floor of the American City Building in downtown Columbia, across from The Columbia Mall on the lakefront, mailbox #1364.
 - Community Mail Box - on Graywing Ct. across the street from school, mail box number 15. This mailbox is shared with the other tenant located in our building. Take only mail addressed to Children and Company.
2. Mail must be picked up YEAR-ROUND, during the summer as well as during the school year.
3. Sort through mail AT the Post Office; if there are post cards or notes telling you that there is a

package or something that needs to be signed for, do it at that time.

4. Distribute mail to the appropriate people (jobholders) in the school AS SOON AS POSSIBLE (some of the mail may be bills or other time-sensitive material).
5. If on vacation or unable to pick up mail, MUST get another member to take on responsibilities.
6. In August, fill out a new Application at the Post Office, with your name associated with the account. The PO Box # will not change, we just need to update the information. Bring with you a letter from the President on letterhead stating that you are Mail Distribution Parent. You will also need two forms of ID for this process.

Note: Any money spent on completing this job (up to \$40.00) is the responsibility of the jobholder. Amounts in excess of \$40.00 are reimbursed by the school upon request and submission of all receipts for all disbursement made on behalf of the school.
